# WELCOME

**The Designer Range** brand signifies luxury and ultimate style, giving you confidence all our Designer Range products are designed to offer superior aesthetics, operate smoothly, and are also built to last. As such, the brand is positioned at the high-end of the window and door market, where there is high demand for systems which embrace innovation, luxury and performance.

High performance meets stand-out aesthetics with **The Designer Range**: A new premium collection of products aimed at the high-end of the home improvement market. **The Designer Range** encapsulates superior quality, functionality and style to raise the bar in standards for double and triple glazed solutions.

When it comes to installation, we've got you covered – Our Installers have been rigorously trained, assessed and vetted to give you complete peace of mind, and ensure your project is completed to the very highest standards.

## GUARANTEE

All our Designer Range aluminium bi-folding doors come covered by our comprehensive **10-Year Manufacturing Guarantee** – including locks, handles, profiles, laminates, and all other components used in the finished product.
